TRIAL LOCATION UPDATES

Since the May newsletter, we have greenlighted another 2 trial locations, see below:

- Liverpool Womens Hospital
- Royal Hospital for Children Glasgow

Please keep us updated on set up progress.

DEXTA DROP INS

Our drop in sessions have been a really important time for us all to catch up. The next is scheduled for the **21st July at 14:00.**

DEXTA RESOURCES

Please get in touch with the DEXTA team if you need anymore resources. These include: cot cards, stickers, participant ID cards, printed PIS's, PK sampling stock.

SAO1 IMPLEMENTATION

SAO1 will be implemented on the 20th July. Please ensure that this modification has been reviewed, documents

superseded in your ISF and the protocol signature page sent to the DEXTA team.

CO-ENROLMENT

We are currently exploring coenrolment with BASE and BALLOON. Updates will follow.

WHATSAPP

We now have a PI and Research Nurse WhatsApp group. Please let us know if you would like the link to join.

SAFETY RUN IN PERIOD

We have now met the criteria for the safety run in period. Recruitment will continue as normal and we will provide the results of the review once they are available. This is expected mid August.
