TRIAL LOCATION UPDATES

Since the April newsletter, we have greenlighted 2 more trial locations, see below:

- John Radcliffe Hospital
- Imperial College Healthcare NHS Trust

Please keep us updated on set up progress.

SAFETY RUN IN PERIOD

We are nearly at our safety run in period review, (2 babies in each treatment arm). The conclusions of this will be shared once available. Recruitment will still continue as normal unless we inform you otherwise.

DEXTA DROP INS

Our first drop in took place at the end of May, it was a great session so thank you to everyone who attended. The next is scheduled for the 19th June at 12:30.

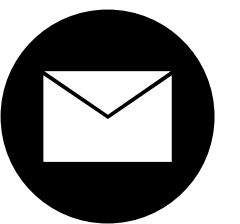

IMP SLIDES

A new set of streamlined IMP slides are now available for staff members who will be preparing and administering the DEXTA IMP. All details are provided in the slides but please ensure that trainees are made aware of the DEXTA IMP manual and how to use it as a reference resource.

MAILING LIST

Please email us to be added to our mailing list

IMP manual

A new version of the IMP manual has been circulated alongside the IMP slides. Please use this new version, Version 2.0 21-May-2026

ASSOCIATE PRINCIPAL INVESTIGATOR (API) SCHEME

As a reminder, applications to join the API scheme are open. Please only join once your site is open to recruitment.
